To Prospective 50/50 Sidewalk Repair Program Participant:

It is with deep regret that we are unable to offer participation in the 50/50 Sidewalk Reconstruction Program for this fiscal year. Faced with extraordinary budget deficits, the City of Los Angeles has elected not to fund the 50/50 Sidewalk Reconstruction Program. It is our hope that circumstances will improve to the point where the 50/50 Sidewalk Reconstruction Program will once again be an available option to residential property owners considering the repair of the adjacent concrete sidewalk.

In the meantime, our 311 Call Center will continue to take your requests for interim repairs. Property owners can, of course, utilize the option of private contractors at their own expense and with the applicable permits to undertake the permanent repairs of the concrete sidewalk abutting their properties.

Very truly yours,

WILLIAM A. ROBERTSON, Director
Bureau of Street Services
